**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a user of Sonic to supply my internet connection on my vessel in Sausalito, California. I am writing to request that you allow them to continue their service to me.

I previously had been a user of an AT&T connection, but found it troublesome for at least two reasons. First their internet service was spotty and slow. Further, their customer service was very poor. Signing on with Sonic solved both of these problems.

I understand you have been petitioned to remove Sonic's ability to service me and those in my community. If you take this action as requested, my service will either be terminated or downgraded, even with a higher-priced fee structure.

Please keep Sonic in business,

Thomas R. Bria
